**Community Working Bee**

**September 20, 2014 - 9.00 am – 12.00 noon**

On Saturday September 20 we will be having our regular term working bee – the exciting part is that we will have a group of young adults from the Young Paulist of the Parish of St James coming to assist us.

We need YOU to be present

There are a range of jobs to be completed which are

- Sweeping
- Cleaning windows
- Weeding
- Topping up the playground soft fall
- Vacuuming the artificial grass area
- Checking our fence boundary
- Tightening and checking our playground bolts
- Getting balls off the roof
- Other jobs as required on the morning

We will also be starting the next phase of our garden works near the sensory garden area

These jobs will be

- Putting the stones into our new dry creek bed
- Excavating for the slab of our shed and chook pen

The morning will end with a sausage sizzle for all the workers

We are hoping that this working bee will be a shared community activity that helps further build the links between St Francis of Assisi and St James Parish Hopper Crossing North

*Please complete the form below and return to school by September 16 so we can cater accordingly.*
