WORKING BEE !!
We currently have 2 volunteers for working on the construction of the enclosure for our orchard and timber vegie boxes—if you are skilled in this sort of work we need your assistance. See Arthur at school or contact the office as soon as possible if you are able to help.

MONTH of REMEMBRANCE
We keep all those we have loved who have died in our prayers. May they rest in peace.

COSTUME HELP: If there is a parent who can support Dilani with creating costumes for our 5 actors for our Christmas presentation, please contact Lucy on 9731 6004. You would need to be available on Monday 24th November anytime between 11.30am-1.30pm.

2015 ENROLMENTS & TRANSFERS: Final arrangements for staffing and home groupings for next year are now being made. Any family who may be leaving St Francis at the end of this year who has not yet met with Jan needs to contact the office urgently to allow us to make appropriate decisions for our community.

SCHOOLS IMPROVING SCHOOLS PROJECT: For the last eighteen months, leaders from four schools in our region have been working together to explore how schools can collectively raise learning outcomes for students. We have collaborated on best practice for tracking student learning and for instructional leadership. The Collective are presenting the work of our project at the Catholic Education Leadership Conference next week.
